Insights

- NGOs and Community Development has not come up in 2 years, therefore it is likely we will see it in 2024.
- Keep in mind that the ABQ is on three certain units every year. For 2024 it will be on units 1, 2 & 3.
- As you can see, Industrial Relations and the EU appear on the paper every year so be sure to study these well.
- Marketing and International Trade often come up in both short and long questions so it is worth making sure you know these topics well.
- Business Accounts and Ratio Analysis has only come up in SQs in the last two years, it is likely it will appear in a long question for 2024.
