How to create a Studyclix student account

Step 1

If you don't have a Studyclix account, go to www.studyclix.ie and click **Join for free** in the top right corner. If you have an account, click **Sign in**.

Studyclix is Ireland's largest study and teaching website.

Over 250,000 students and more than 90% of teachers use Studyclix in Ireland.

I'm a student

I'm a teacher

I'm a parent

Step 2

Register with your school email, Google or Microsoft account.

Join Studyclix

We recommend using your school email

 Continue with Google

 Continue with Microsoft

or

What's your name?

First name

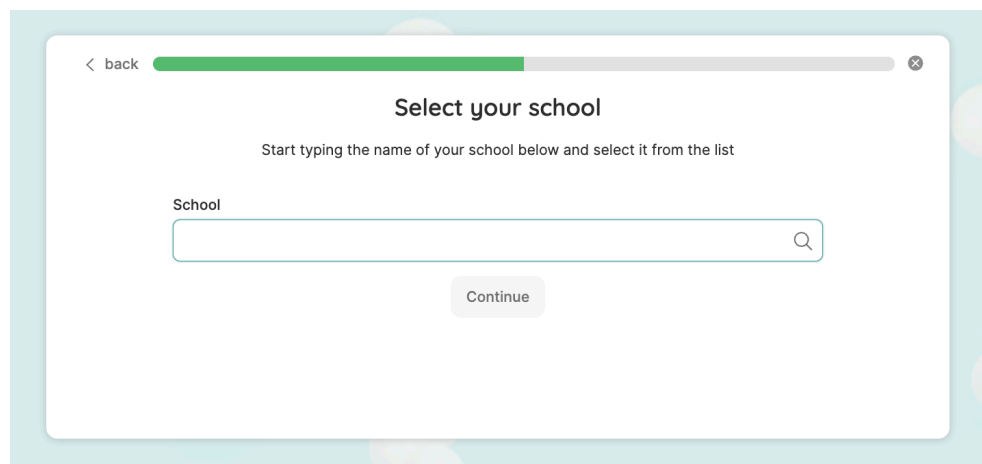

Last name

Username

Continue

Step 5

Search and select the school you attend.

< back

Select your school

Start typing the name of your school below and select it from the list

School

Continue

Step 6

Select your year level, subjects and subject level.

The screenshot shows a mobile app interface for selecting subjects. At the top, there is a 'back' button and a progress bar. The main heading is 'Select your subjects' with a sub-heading 'Select your subjects to ensure you only see content relevant to you'. Below this is a question 'What year are you in?' with six radio button options: '1st year', '2nd year', '3rd year', '4th year', '5th year', and '6th year'. The '6th year' option is selected and highlighted in red. Below the year selection is another question 'Which subjects do you study?'. This section contains a search bar with the placeholder text 'Start typing a subject name'. To the right of the search bar is a list titled 'Your selected subjects (6)' containing six items: 'Higher Accounting', 'Higher Agricultural Science', 'Higher Biology', 'Higher Design & Communication Graphics', 'Higher English', and 'Higher History'. On the left side of the subject selection area, there are four subject categories with radio button options for 'Higher' and 'Ordinary': 'LC Design & Communication Graphics' (Higher selected), 'LC Economics', 'LC Engineering', and 'LC English' (Higher selected). 'LC French' is listed at the bottom but has no radio button options. A 'Continue' button is located at the bottom center of the form.

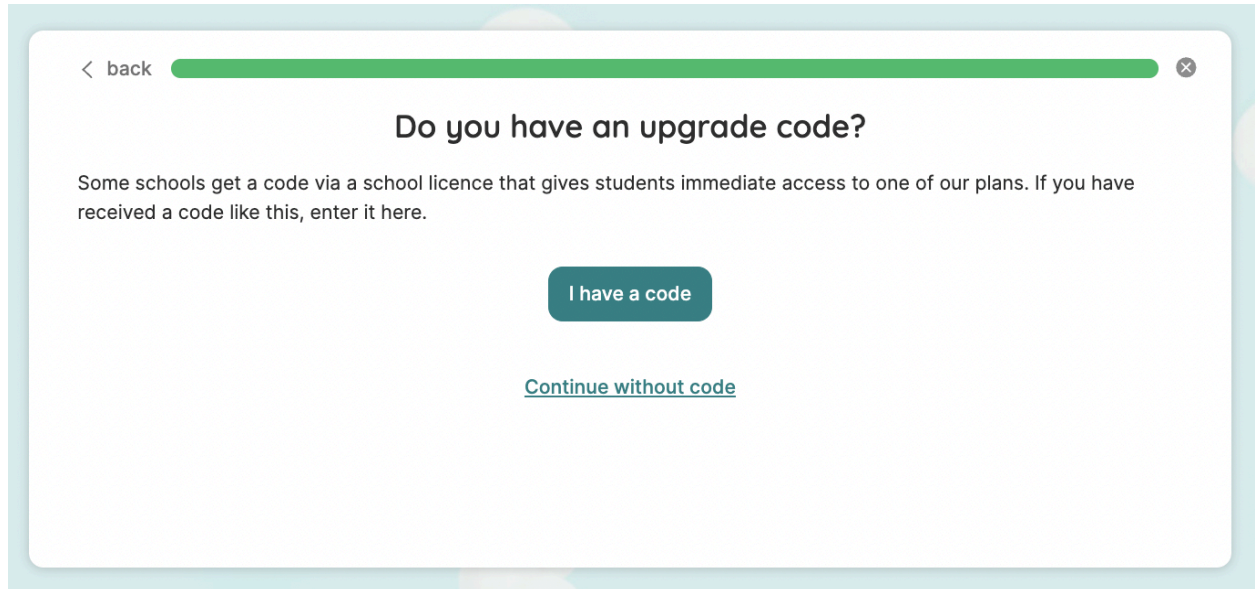

Step 7

Confirm your contact preferences. To get the best updates from us, we recommend selecting "yes to all".

The screenshot shows a mobile app interface for confirming contact preferences. At the top, there is a 'back' button and a progress bar. The main heading is 'Contact preferences' with a sub-heading 'Clicking 'yes to all' means we'll send you occasional emails about top content, tips and new features.'. Below this is a large 'Yes to all and continue' button. Underneath, there are three sections, each with a heading, a brief description, and a checkbox option: 1. 'Studyclix offers and account information' with the description 'Opt-in to get updates on new features, competitions, and tips/new content to help you study & improve your marks.' and the checkbox 'Yes, send me offers, feature updates and account information.' 2. 'CAO and higher education advice' with the description 'When you get to 5th/6th year, we will occasionally send CAO advice as well as details of upcoming career events and open days.' and the checkbox 'Yes, send me CAO advice.' 3. 'Studyclix Partners' with the description 'We occasionally partner with other educational websites and services to get you discounts and provide helpful information. We never share your data with third-party services and you can opt-out at any time.' and the checkbox 'Yes, send me offers and info from Studyclix partners.'. A 'Continue' button is located at the bottom center of the form.

Step 8

If your school has provided you with an upgrade code, enter it here. You should always check with your teachers to see if there is a code available for your school.

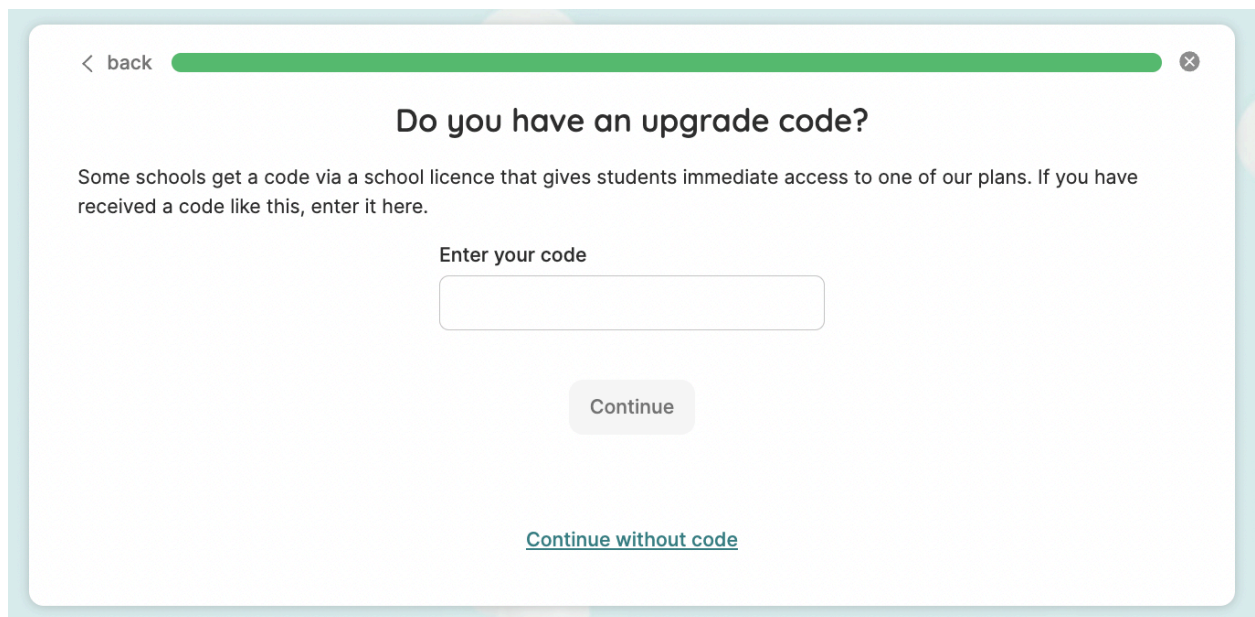

< back

Do you have an upgrade code?

Some schools get a code via a school licence that gives students immediate access to one of our plans. If you have received a code like this, enter it here.
