Our school has a Studyclix licence!
Here's how to set up your student account:

Step 1

If you don't have a Studyclix account, go to www.studyclix.ie and click **Join for free** in the top right corner. If you have an account already, click **Sign in** and skip to Step 10.

Step 2

Use your school email address to create an account.
(Make sure you're logged in to your school email address on your device!)

Welcome to Studyclix!
We're delighted
you're here

Join Studyclix

We recommend using your school email

Already have an account? [Sign in here](#)

By continuing, you agree to the [Studyclix terms of use](#), and confirm that you have read the [Studyclix Privacy Policy](#).

Step 3

To verify that you own this email address, we've sent a 6-digit verification code to your inbox. Enter the code and create your password.

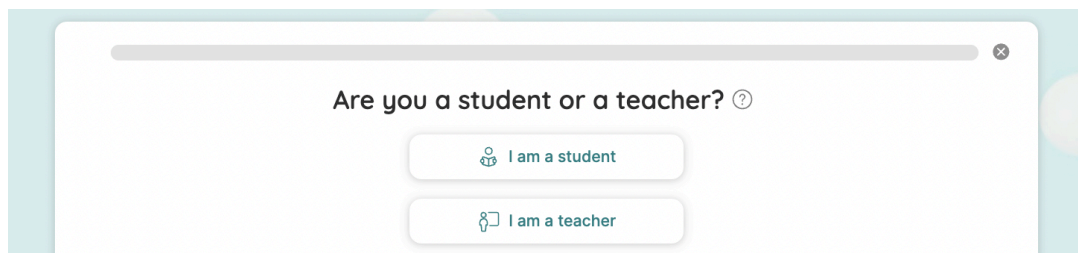

The screen is titled "Join Studyclix". On the left, a blue robot character is shown with a speech bubble that says "Welcome to Studyclix! We're delighted you're here". On the right, there is a form with the following elements:

- A message: "We have sent you an email with a 6-digit verification code. Please enter it below along with personal password for your new account."
- A label: "6-digit verification code (just sent your email)" above a text input field.
- A label: "Create your new password" above a password input field with an eye icon.
- A label: "Confirm your password" above another password input field with an eye icon.
- A dark teal "Submit" button.
- A teal "Cancel" link below the button.

Step 4

Select "I am a student"

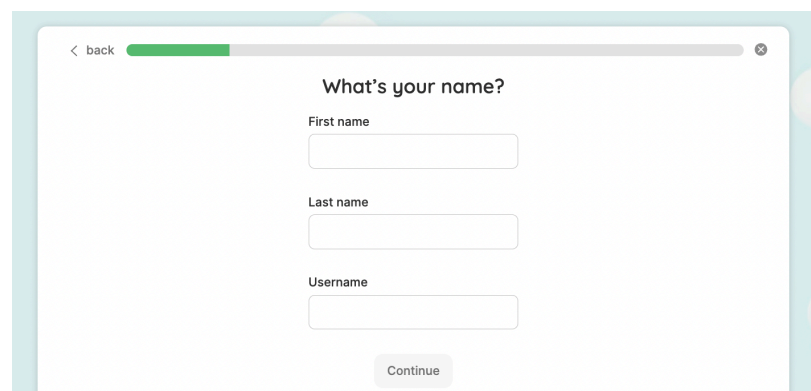

The screen has a title "Are you a student or a teacher?" with a help icon. Below the title are two buttons:

- A button with a student icon and the text "I am a student".
- A button with a teacher icon and the text "I am a teacher".

Step 5

Enter your name and create a username. You can use this username or your email address to sign into your account later.

The screen has a title "What's your name?". It includes a "back" link and a progress bar. Below the title are three text input fields:

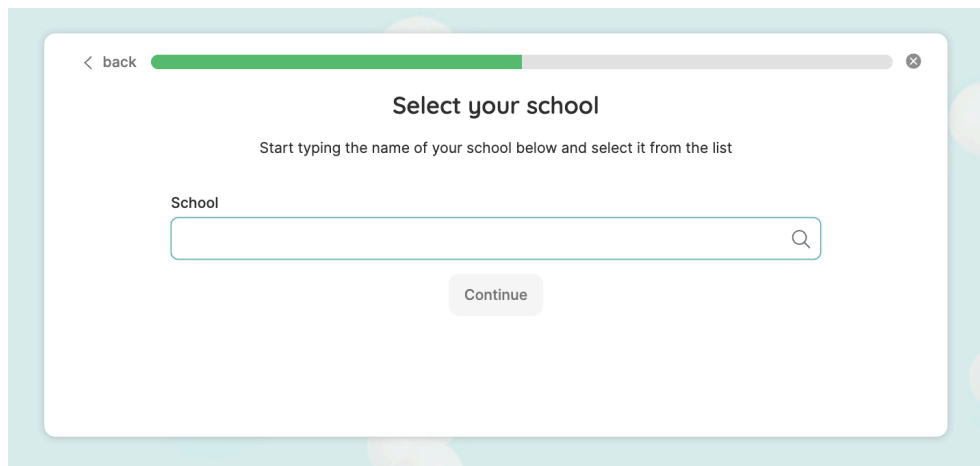

- First name
- Last name
- Username

At the bottom is a "Continue" button.

Step 6

Search and select the school you attend.

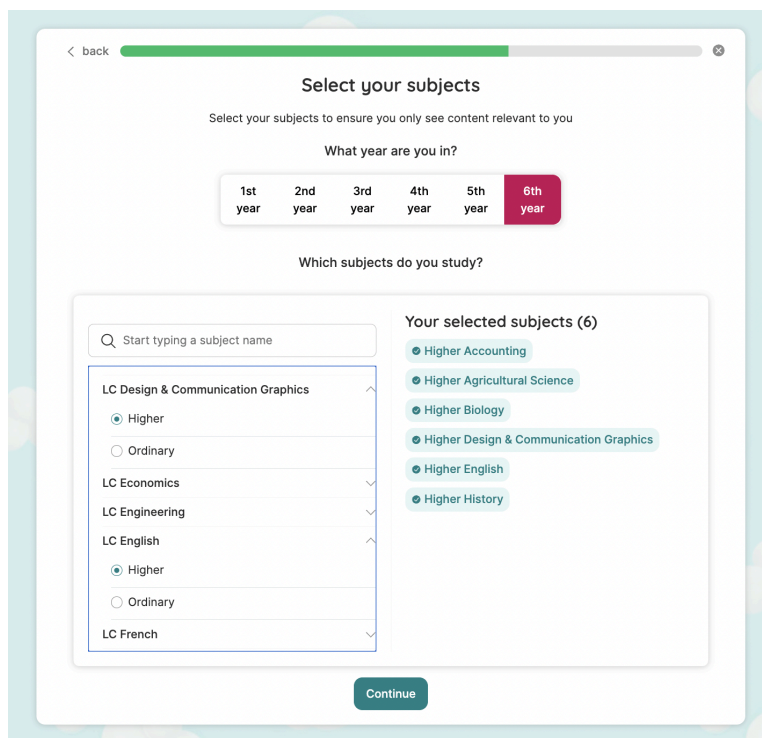

(We might already know this based on your school email address and skip this step for you)

The screenshot shows a web form titled "Select your school". At the top left is a "< back" link and a progress bar. Below the title is the instruction "Start typing the name of your school below and select it from the list". There is a text input field labeled "School" with a magnifying glass icon on the right. Below the input field is a "Continue" button.

Step 7

Select your year level, subjects and subject level.

The screenshot shows a web form titled "Select your subjects". At the top left is a "< back" link and a progress bar. Below the title is the instruction "Select your subjects to ensure you only see content relevant to you".

Under the heading "What year are you in?", there are six buttons: "1st year", "2nd year", "3rd year", "4th year", "5th year", and "6th year". The "6th year" button is highlighted in red.

Under the heading "Which subjects do you study?", there is a search bar with the placeholder text "Start typing a subject name". Below the search bar is a list of subjects with expandable sections:

- LC Design & Communication Graphics
 - ☒ Higher
 - ☐ Ordinary
- LC Economics
- LC Engineering
- LC English
 - ☒ Higher
 - ☐ Ordinary
- LC French

To the right of the subject list is a section titled "Your selected subjects (6)" which contains six items, each with a blue dot and a light blue background:

- Higher Accounting
- Higher Agricultural Science
- Higher Biology
- Higher Design & Communication Graphics
- Higher English
- Higher History

At the bottom center is a "Continue" button.

Step 8

Confirm your contact preferences. To get the best updates from us, we recommend selecting "yes to all".

< back

Contact preferences

Clicking 'yes to all' means we'll send you occasional emails about top content, tips and new features.

Yes to all and continue

Step 9

If your school has provided you with an upgrade code, enter it here. You don't need a code if you are being automatically upgraded based on your school email domain, so you can click 'Continue without code' (check this with a teacher)

< back

Do you have an upgrade code?

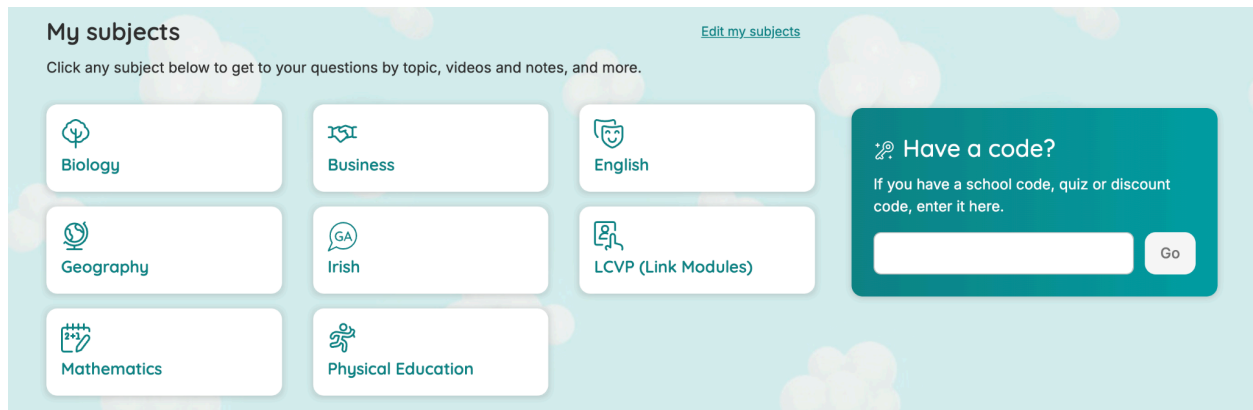

Some schools get a code via a school licence that gives students immediate access to one of our plans. If you have received a code like this, enter it here.

I have a code

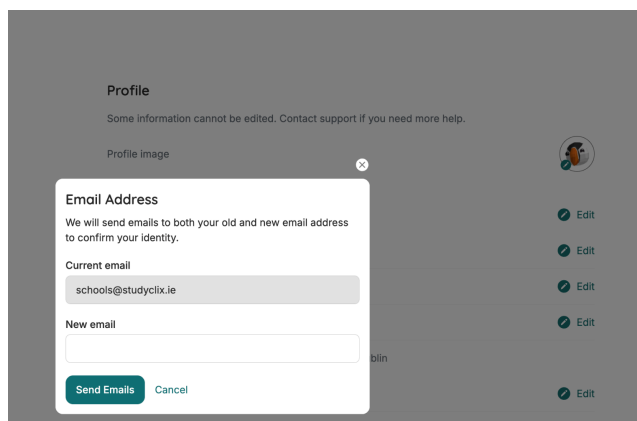

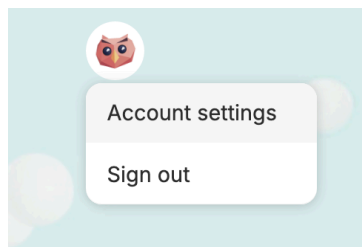

[Continue without code](#)

Step 10

If you already have a Studyclix account with your school email, simply sign in and your upgraded access will activate or you can enter your code on the home screen.

If you have a Studyclix account with a personal email address (e.g. Gmail), sign into your account > Open Account Settings > Update your email address to your school address by entering the verification code sent to your school email.

Congrats!

You're all set up! You can now go to the homepage to see your subjects and explore the site. Happy studying!
